

BuildSprint 2026 — Participant Guide

Everything you need to know before you show up

Welcome to **BuildSprint 2026** — a two-day, on-campus startup ideation and business innovation challenge. Over 5 & 6 September, you and your team will take a real-world problem, design a solution, build a working prototype, and pitch to a panel of judges. This guide walks you through exactly what to expect on both days, what to prepare in advance, what you'll produce, and how you'll be evaluated. **Please read it fully before Day 1** so you arrive ready to build.

Event at a Glance

DATES	VENUE	TIMING	TEAM SIZE	REGISTRATION
5 & 6 September 2026	BIT Mesra,	Day 1: 10 AM – 6 PM	Individual or team	Free of charge
Sat & Sun	Patna Campus	Day 2: 10 AM – 6 PM	of up to 4 members	Any college, any stream

Before You Come — Get Ready

You do not need to arrive with a fully-formed idea or a finished team. What matters is that you show up prepared to think, build, and collaborate. Use the checklist below.

What to Bring	How to Prepare
☐ Laptop & charger ☐ Extension cord / power strip ☐ College ID card (mandatory) ☐ Notebook & pens ☐ Water bottle ☐ Any reference material you may need	☐ Finalize your team members (up to 4) ☐ Think of 1–2 real problems you'd like to solve ☐ Read up on the Business Model Canvas ☐ Join the official WhatsApp group ☐ Plan to reach the venue 15 min early ☐ Fully charge your devices the night before

Note: The **same team members must participate on both days** — changes in team composition during the event are not permitted. Confirm your team roster before Day 1.

Day 1 — Saturday, 5 September · Inauguration & Ideation

Reporting time: 10:00 AM · Venue: BIT Mesra, Patna Campus

Time	What Happens & What You Should Do
10:00 AM – 10:30 AM	Reporting & Registration. Report at the front desk, show your college ID, collect your kit and badge. Arrive by 9:45 AM if you can.
10:30 AM – 11:00 AM	Inauguration Ceremony. Formal opening of the event. Just be seated and attentive — there's nothing to prepare here.
11:00 AM – 12:00 PM	Briefing. Detailed walk-through of event rules, judging criteria, and the PFA (Project Feasibility Analysis) template . Take notes — this is where you'll learn exactly what to produce and how you'll be judged.
12:00 PM – 1:00 PM	Ideation Session (Part 1) — Problem Statement. Sit with your team and lock in a real-world problem you want to solve. Focus on why the problem matters and who is affected.
1:00 PM – 2:00 PM	Break. Refreshments provided. Use the time to reset and discuss your problem informally.
2:00 PM – 6:00 PM	Ideation Session (Part 2) — Solution & Business Model Canvas. Design your solution and complete a first draft of the Business Model Canvas. Sketch, prototype on paper, discuss trade-offs.
6:00 PM	Day 1 concludes. Continue refining your idea overnight if you wish, but do not skip rest — Day 2 is a build-and-pitch marathon.

By the end of Day 1, your team should have: a clearly defined problem statement, a proposed solution, and a first draft of the Business Model Canvas.

Day 2 — Sunday, 6 September · Build & Pitch

Reporting time: 10:00 AM · Come with your Day 1 outputs ready

Time	What Happens & What You Should Do
10:00 AM	Reporting & Check-in. Same team members from Day 1 — no substitutions.
10:00 AM – 1:00 PM	Building Session (3 hrs). Complete your prototype/MVP and finalize your pitch deck. Keep the pitch to 5 minutes; less is more.
1:00 PM – 2:00 PM	Lunch Break. The PFA report submission deadline is 3:00 PM sharp . Use this hour to eat and finalize the report.
2:00 PM – 3:00 PM	Final Preparation & PFA Submission. Do a rehearsal run of your pitch. Submit your PFA report before 3:00 PM. Late submissions will not be accepted.
3:00 PM – 6:00 PM	Pitching Session (3 hrs). Each team gets a 5-minute pitch + 2-minute Q&A in front of the judges. Followed by judging, results announcement, prize distribution, and the closing ceremony.

Pitch tip: Structure your 5 minutes as — the problem (1 min) · your solution (1.5 min) · the business model (1 min) · the prototype demo (1 min) · closing ask (0.5 min). Practice at least twice before you present.

The PFA Report — What You'll Submit

Every team will receive a **PFA (Project Feasibility Analysis)** report template at the start of the event, during the Day 1 briefing. Your final report **must be submitted only in the prescribed template**, which specifies the required sections and format. Do not create your own layout.

Your PFA report must include:

- Team details and roll numbers of all members
- Problem statement (clearly defined, with context)
- Proposed solution
- Business Model Canvas
- Prototype / MVP summary

Submission Deadline

Before the pitching session begins on Day 2, by **3:00 PM on 6 September**.

Reports submitted after the deadline will **not** be considered for evaluation. Plan your Day 2 morning around this.

How You'll Be Judged

Judges will score every team on the following weighted rubric. The same rubric will be shared with you during the Day 1 briefing.

Innovation & Creativity		20%
Quality of Solution		20%
Execution & Prototype		20%
Problem Identification		15%
Presentation & Pitch		15%
Practical Feasibility		10%

What's at Stake

- **Rewards & Prizes worth ₹5,000** for the winning team (1st Prize).
- **Trophies & Medals** for the top three teams — 1st, 2nd, and 3rd place.
- **Certificates of Participation** for every participant; Certificates of Merit for placed teams.

Important Instructions

- Bring your **laptop, charger, extension cord**, and **college ID card** on both days.
- Ensure the **same team members** participate on both days. Team composition cannot be changed during the event.
- **Be punctual.** All sessions begin according to the scheduled time. Late arrivals may miss the briefing, which contains critical event information.
- Check the **official WhatsApp group** regularly for updates, announcements, and last-minute changes.
- Report submissions are only accepted in the **prescribed PFA template**. Late submissions will not be evaluated.
- Respect the venue, the coordinators, and your fellow participants. Cleanup after every session is a shared responsibility.
- Photos and short videos will be captured throughout the event for social media and department outreach — by participating, you consent to this coverage.

Contact & Support

For any query before or during the event, reach out via the official channels:

- **Official WhatsApp group** — scan the WhatsApp QR on the brochure or registration confirmation to join.
- **Front desk** on the day of the event, staffed by the Registration & Front Desk coordinators.
- **Convenor:** Dr. Sohini Ghosh · **Co-Convenor:** Dr. Kumar Abhimanyu Singh — Department of Management Studies, BIT Mesra, Patna Campus.
